**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above-identified application became abandoned for failure to timely pay the required issue fee and publication fee within the statutory period of three months from the mailing date of the Notice of Allowance. The notice of abandonment indicates that the issue fee and publication fee were not received.

APPLICANT HEREBY PETITIONS, UNDER 37 CFR 1.181 AND MPEP 711.03(C)II,
TO WITHDRAW THE HOLDING OF ABANDONMENT BASED ON A FAILURE
TO RECEIVE THE OFFICE ACTION.

Serial No.: 10/824,845
Art Unit: 2673
Docket: OT2.P17-4

STATEMENT

1. I, the undersigned attorney am the proprietor of Koda Law Office and have been the attorney of record throughout the prosecution of the above-captioned matter.
2. I attest to making a search of my matter file for the above-captioned matter and of my docketing records. I further attest that I have found that a Notice of allowance was not received by me or Koda Law Office for this matter.
3. Attached as exhibit A is a copy of a Notice of Change in Correspondence Address mailed on December 31, 2004. Attached as exhibit B is a copy of the return post card stamped by the US PTO mail office indicating that the Notice of Change in Correspondence Address was received by the PTO on January 4, 2005.
4. A review of the online image file wrapper for the above-captioned application shows that the notice of allowance was mailed to an old address after the filing date of the Notice of Change in Correspondence Address. It is respectfully submitted that the Notice of Allowance was not forwarded to my new location, and thus was not received.
5. Attached as exhibit C are screen printouts of my docketing system evidencing that the Notice of Allowance was not received. The cover page of exhibit C is the main menu for my docket program. The second page is the docketing data entry screen for domestic patent prosecution. The third page shows the docket data for the above-captioned matter. You will note that a response to a non-final rejection was mailed on November 22, 2004. The last entry (other than for receipt of the notice of abandonment) for the matter shows that a change in correspondence address was filed on December 31, 2004. There is no entry for an issue fee being due. The fourth page shows the docket item screen for the filing of the notice of change in correspondence address.
6. According to my standard docketing procedure, had the notice of allowance been received, the office action would have been entered at the docketing data entry screen for domestic patent prosecution by selecting Notice of Allowance from a pull down menu under the heading 'Papers Received,' (see page 2 of exhibit C). In

Serial No.: 10/824,845

response, the docket data for this matter would have shown an entry that the issue fee was due on a date calculated to be 3 months from the mailing date of the Notice of Allowance. See page 3 of exhibit C, and note that such an entry is not present. Also, the status for the matter would have changed from 'prosecution' to 'allowed.' See page 3 of exhibit C, and note that the status remains as 'prosecution.'
